23rd May 2016

Dear Parents, Alumni and Friends,

The Singapore Gujarati School will be celebrating its 70<sup>th</sup> Anniversary in 2017. Coinciding with this important milestone, it will also mark 23 years since the commencement of formal Gujarati classes at Haig Girls' School.

As we plan the activities to commemorate the occasion, we look forward to engaging all students, past and present, to join in. We have for many years wished to form an Alumni Register of ex-students who have passed out of Gujarati School, and it is an ideal time for all past Secondary Four pupils to be a part of the Alumni. We are confident that this will also help you further grow the friendships you have made in Gujarati School.

We encourage all alumni, and friends and/or parents of our alumni who have completed Secondary Four to sign-up at <http://goo.gl/forms/HEBZ2Esdykrx0d6o1>

Thank you.

Yours faithfully,  
Singapore Gujarati School Limited
